Beta Sigma Phi Initiated New Members

Present at the Pledge Ritual held Sunday by Delta Zeta Chapter of Beta Sigma Phi Sorority were (center) Connie McDearmon, founder of the chapter, (left of center) Brenda Stanley, the chapter's president, and the three new members (left to right) Robbie Mathews, Rene McGrath, and Amy Nash.

Three new members were initiated into Beta Sigma Phi Sorority Sunday evening. Mrs. Bill McGrath, Mrs. Cecil Nash and Mrs. Tom Mathews received their formal Pledge Ritual at the home of Mrs. Randolph Smith. Mrs. Bobby Stanley, President of Delta Zeta Chapter conducted the ceremony and welcomed the new members. Connie McDearmon, founder of the chapter, came from her home in Culpepper to be on hand for the occasion.

Earlier in the evening a fondue supper was held to honor the new pledges. Following the supper the regular business meeting of the chapter was held. Among business discussed was a scholarship to be awarded a high school senior for vocational or trade school training. Plans were made to draw up specific requirements for the student's applications. The scholarship will be awarded on the basis of the student's need. Plans were made to travel to Deltaville next Sunday to conduct the Pledge Ritual there for the new chapter which Delta Zeta is sponsoring as a "Friendly Venture". The new chapter will be known as Zeta Epsilon.

At the close of the meeting a program was presented by Mrs. Richard Bartelt on various aspects of Beta Sigma Phi. A skit was given by Janet Noble, Brenda Stanley, and Rene McGrath depicting a visit welcoming a newcomer to the community as part of the chapter's "Hi, Neighbor!" service project. The skit served to show the new members of the chapter how a typical visit would be conducted.

Standard specifications for construction of Virginia's highways include provisions that protect "prehistoric ruins, Indian (or early settler) sites, burial grounds, relics, fossils, meteorites, or other articles of archeological and paleontological interest." Nine times during the past nine years, the State Department of Highways and the archeologists from the State Library have cooperated in archeological excavation to learn more of Virginia's past.

Facts about the great interest rate war.

No matter what you may read about bank interest rates, keep this one clear fact in mind: No bank anywhere is paying more than Fidelity. And most are actually paying less than Fidelity on popular 2 year, automatically renewable 5¼% Certificates of Deposit. Here's why:
Fidelity compounds your interest continuously, not just daily. So the annual yield to you is more than 6%. It's 6.00315 to be exact.
So in the midst of all the current noise and confusion, just remember this one beautifully simple fact:
Our 6% annual yield on 5¼% Certificates of Deposit is bigger than their 6%.
And that is a fact!
